

Imagination Library

United Way of Central Minnesota is committed to helping children and youth achieve their potential. Reading with your child, starting at birth, will help them gain a better understanding of the world and early reading skills.

Program Details:

Imagination Library will mail a new, age appropriate book to each child at their home each month until their 5th birthday. The program is offered FREE to families! The goal of the program is to provide books to ensure all children in our community are prepared for kindergarten, specifically families who need it most.

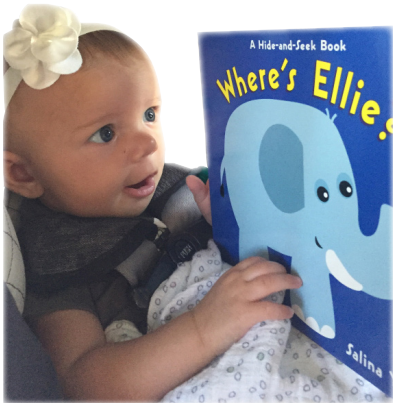

"The books help remind me that it is important to take just a few minutes each day to spend time reading with my kids."

~Imagination Library Parent

Donation Support:

Imagination Library is a partnership between United Way of Central Minnesota and the Dollywood Foundation. Imagination Library is entirely funded by donations from families, corporations, grants and fundraisers in Central Minnesota. If you would like to help support closing the achievement gap in our community, a \$30 donation to United Way provides a local child with an Imagination Library book every month for a year.
