Volunteer Drivers Needed

The Tri-CAP Volunteer Driver Program serves the residents of Benton, Mille Lacs, Morrison, Sherburne, and Stearns Counties, providing rides primarily to medical appointments. In 2017, their volunteer drivers gave over 24,000 one-way rides providing this much-needed service. Volunteer drivers use their own vehicles, determine their own schedules, and are paid a mileage reimbursement at the federal IRS rate. Volunteers say that helping people gives them a good feeling. If you are interested in experiencing that “good feeling” call Tri-CAP at 320-251-1612 or visit their website at <https://tricap.org/volunteer/>

Connect with Students

Junior Achievement has classroom volunteer opportunities available this school year. Connect with students to help them succeed in school and beyond. Flexible scheduling makes it easy to volunteer!

They are looking for a volunteer or two that can assemble larger items (2 grills, wine bar, etc.) for the Silent Auction. The assembly location and times are both flexible, but they will need assembly to be completed by January 18th.
